CHAIRMAN'S MESSAGE

Dear Shareholders,

The fiscal year 2020-21 was eventful in more ways than one. During FY 2020- 21, India was impacted by the spread of the COVID-19 pandemic. To contain its spread, India announced a nationwide lockdown. This led to a slowdown in our operations during the first quarter of FY 2020-21.

During these challenging times, your Company prioritised the health and safety of employees, protected the interests of stakeholders and strictly aligned itself with government guidelines to minimise impact on operations. As the period being challenging, your Company has suffered badly in this pandemic. The business operations of the company decreased to a great extent. However, we are optimistic about Company's future growth and development. We have undertaken several strategic initiatives to drive improvement across operating parameters and create a more efficient and sustainable business framework.

I would like to extend my heartfelt gratitude to all the medical professionals and care givers, who are tirelessly engaged in making the world a safer place. I must also thank our valued shareholders, employees and other stakeholders for their continued support for our commitment to build a sustainable business.

Warm regards,

RAJASVEE SAGAR SHAH

 - (b) For Demat shareholders -, please provide Demat account details (CDSL-16 digit beneficiary ID or NSDL-16 digit DPID + CLID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of AadharCard) to gujchemdistillers@gmail.com.
19. THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:
 - i. The voting period begins on Sunday, 26th September, 2021 at 9.00 a.m. to Tuesday, 28th September, 2021 at 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date Wednesday, 22nd September, 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
 - ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.
 - iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
 - iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
GUJCHEM DISTILLERS INDIA LIMITED
AHMEDABAD

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **GUJCHEM DISTILLERS INDIA LIMITED (CIN: L24230GJ1939PLC002480)**. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **31st March, 2021** ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **31st March, 2021** according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;

I have relied on the representations made by the Company and its officers for systems and mechanism formed by the Company for compliances of other specific applicable Acts, Laws and Regulations to the Company as mentioned hereunder;

- a) The Company has not carried any business activities during the year therefore no other specific industry related acts, laws and regulation are applicable to the company except Direct and Indirect Taxation Laws.

I have also examined compliance with the applicable Clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India.
- (ii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above and subject to following observations:

- a) **As per Regulation 31 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the listed entity shall file quarterly Shareholding Pattern to the Stock Exchange within 21 days from the end of each quarter. Therefore, the listed entity has to submit Shareholding Pattern for the First Quarter i.e. 30.06.2020 on or before 21st July, 2020. However, the Company has submitted the same on 22.07.2021. So, there was a delay of 1 day.**
- b) **As per regulation 46(1) and 46(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the listed entity shall maintain a functional website containing the basic information about listed entity; however the Company is not maintaining an updated website.**

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all the directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Board takes decision by majority of directors while the dissenting directors' views are captured and recorded as part of the minutes.

I further report that:

There are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable Laws, Rules, Regulations and guidelines.

I further report that during the audit period there were no other instances of:

- i. Public/Rights/Preferential issue of Shares/debentures/sweat equity
- ii. Redemption/buy-back of securities.
- iii. Merger/ amalgamation/ reconstruction, etc
- iv. Foreign technical collaborations

INDEPENDENT AUDITOR'S REPORT

To the Members of

**GUJCHEM DISTILLERS INDIA LIMITED
AHMEDABAD**

REPORT ON THE STANDALONE FINANCIAL STATEMENTS:

OPINION

We have audited the standalone financial statements of **GUJCHEM DISTILLERS INDIA LIMITED** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2021, the Standalone Statement of Profit and Loss (Including Other Comprehensive Income), the Standalone Statement of Changes In Equity and the Standalone Statement of Cash Flows for the year then ended and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs of the Company as at March 31, 2021, and its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS OF OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTERS

We draw attention to the fact that the Company has closed its manufacturing operations and sold/disposed off land, plant & machinery and other fixed assets in earlier years and since then not resumed the manufacturing activities. These events or conditions, along with other matters as set forth in Notes to the financial statements, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Our opinion is not modified in respect of this matter.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

On the basis of audit procedures carried out and discussion with the management, we determined that there are no matters which are to be classified as Key Audit Matters for current financial year.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S AND BOARD OF DIRECTOR'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS:

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS), accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standard) Rules, 2015 as amended.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors'

report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

1. As required by The Companies (Auditor's Report) Order, 2016 issued by The Central Government Of India in term of section 143 (11) of The Companies Act, 2013, we enclose in the Annexure-A hereto a statement on the matters specified in paragraphs 3 and 4 of the said order, to the extent applicable to the company.
2. As required by section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Standalone Balance Sheet, Standalone the Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity & the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, aforesaid Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity & the Standalone Statement of Cash Flows, comply with the Indian Accounting Standards prescribed under section 133 of the Act;
 - e) On the basis of written representations received from the directors of the Company as on March 31, 2021, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of sub-section (2) of section 164 of Act;
 - f) With respect to the adequacy of internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in Annexure-B;
 - g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company had no litigations pending as at the end of the financial year which may impact its financial position on final disposal of the respective matters.
 - ii. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii. As at 31st March, 2021 there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. With respect to the matter to be included in the Auditors' Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

[REFERRED TO IN PARAGRAPH 2(F) UNDER “REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS SECTION OF OUR REPORT OF EVEN DATE]

FINANCIAL YEAR ENDED 31ST MARCH 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **GUJCHEM DISTILLERS LIMITED (“the Company”)** as of March 31, 2021 in conjunction with our audit of the Standalone Ind AS financial statements of the company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the information and explanations given to us, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were commensurate with the nature of the business of the company and operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021**CORPORATE INFORMATION:**

Gujchem Distillers India Limited is a public limited company has been incorporated under the provisions of the Companies Act, 1956. The shares of the company are listed in the Bombay Stock Exchange Limited ('BSE').

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES:**BASIS OF PREPARATION OF FINANCIAL STATEMENTS****a) Accounting Conventions:**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 and with Companies (Indian Accounting Standards) (Amendment) Rules, 2017 and comply in all material aspects with the relevant provisions of the Companies Act, 2013 to the extent applicable to it.

The Financial Statements have been prepared on a historical cost basis except the following assets and liabilities which have been measured at fair values:

- Certain Financial Assets and Liabilities that are measured at Fair Value.

b) Use of Estimates:

The preparation of financial statements requires management to make estimates and assumptions that are believed to be reasonable under the circumstances and such estimates and assumptions may affect the reported amount of assets and liabilities, classification of assets and liabilities into non-current and current and disclosures relating to contingent liabilities as at the date of financial statements and the reported amounts of income and expenses and cash flows during the reporting period. Although the financial statements have been prepared based on the management's best knowledge of current events and procedures/actions, the actual results may differ on the final outcome of the matters/transactions/procedures to which the estimates relate.

c) 1. Property, Plant and Equipment (PPE):

The Company had applied for the one-time transition exemption of considering the carrying cost on the transition date i.e. 1st April, 2017 as the deemed cost under IND AS, regarded thereafter as historical cost.

The cost of an item of property, plant and equipment is recognized as an asset if, and only if:

- it is probable that future economic benefits associated with the item will flow to the entity; and
- the cost of the item can be measured reliably.

The acquisition of property, plant and equipment, directly increasing the future economic benefits of any particular existing item of property, plant and equipment, which are necessary for the Company to obtain the future economic benefits from its other assets, are recognized as assets.

The items of Property, Plant and Equipment are stated at cost of acquisition/construction (less Accumulated Depreciation and Impairment, if any). The cost of Property, Plant and Equipment comprises of their purchase prices including freight, duties, taxes or levies, directly attributable cost of bringing the assets to their working conditions for their intended use. The Company capitalised its Property, Plant and Equipment at a value net of GST/ Other Tax Credits received/receivable during the year in respect of eligible item of Property, Plant and Equipment. Subsequent costs are included in the carrying amount of respective Property, Plant and Equipment or recognized as separate assets as appropriate, only if such costs increase the future benefits from the existing items beyond their previously assessed standard of performance and cost of such items can be measured reliably.

The Items of Property, Plant and equipment disposed during the year have been eliminated from books of accounts and resultant gain/loss are recognized in the statement of profit & loss for the period of disposal.

2. Depreciation & Amortization:

The Depreciation on tangible items of Property, Plant and Equipment is provided on straight line method for the period of acquisition/construction i.e. from the period from which such assets were available for their intended use on pro-rata basis on the basis of useful life of each of the fixed assets as per Schedule II of the Companies Act, 2013 and in the manner specified in Schedule II of the Companies Act, 2013.

d) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition. In the case of manufactured inventories and work-in-progress, cost includes an appropriate share of fixed production overheads based on normal operating capacity.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

The company has suspended its main business operations and hence there is no closing stock of inventories for the period ending on 31/03/2021.

e) Revenue Recognition:

Revenue is measured at the fair value of the consideration received or receivable from the customers/parties net of returns, rebates, and discount to the customers and amounts collected on behalf of third parties. The Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021**Sale of Goods:**

The revenue from the sale of goods is recognized at the transaction price when the company had transferred the property in Goods to the buyer for a price or all significant risks and rewards of ownership had been transferred to the buyer and no significant uncertainty existed as to the amount of consideration that would be derived from such sale. The recognition event is usually the dispatch of goods to the buyer such that the Company retains no effective control over the goods dispatched.

The company has suspended its main business operations and hence there is no sale of goods for the period ended on 31/03/2021.

Interest Income:

Income from investments and deposits, where appropriate, is taken into revenue in full on declaration or accrual on time basis and tax deducted at source thereon is treated as advance tax. The interest income from financial assets is recognized when it is probable that the economic benefits will flow to the company and the amount interest income can be measured reliably.

f) Employee Benefits:**1. Short Term Obligations:**

Short term employee benefits of like wages, salaries and other monetary and non-monetary benefits are recognized in the period during which services are rendered by the employees and are recognized at the value at amounts at which liabilities have been settled or are expected to be settled.

2. Post-Employment and Other Long-Term Employee Benefits:**2.1 Contribution to Provident Fund:**

The Company's contribution to the Provident Fund is remitted as per the provisions relating to the Employee Provident Fund Scheme and such contribution is charged to the Statement of Profit & Loss of the period to which contribution relates.

2.2 Gratuity:

The management of the company is of the view that none of the employees were eligible in respect of which the company was required to make contribution as per the provisions relating to the Payment of Gratuity and accordingly provision for gratuity was not required to be made. However, if the company is required to make payment of gratuity on happening of any event/incident due to which the provisions relating to payment of gratuity becomes applicable to the company, the same will be accounted as and when incurred.

g) Borrowing Costs

The company has suspended its main business operations and there is no present balance outstanding of borrowings hence no borrowing costs incurred during the year.

h) Operating Segment

The Company was primarily engaged in business of manufacturing and selling of Industrial Alcohol, Acetaldehyde, Acetic Acid ad Auxiliaries & Chemicals. Since the inherent nature of activities as a whole are governed by the same set of risk and returns. These have been grouped as a single segment, the results of which are reflected in the financial statements.

So, the disclosure requirements pursuant to Ind AS-108- "Operating Segments" are not applicable.

i) Taxes On Income:**1. Current Tax:**

The provision for current tax is required to be made as per the provisions of the Income Tax Act, 1961.

Taxes on income have been determined based on the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. The current tax liabilities and assets are measured at the amounts expected to be paid or to be recovered from the taxation authorities as at the balance sheet date.

The current tax liabilities and assets are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

2. Deferred Tax:

Deferred tax is provided on temporary differences between the tax bases of assets and liabilities as per the provisions of the Income Tax Act, 1961 and their carrying amounts for financial reporting purposes as at the balance sheet date.

Deferred tax liabilities are recognized for all taxable temporary timing differences. Deferred tax assets are recognized for all deductible taxable temporary timing differences, the carry forward of unused tax losses and unused tax credits to the extent to which future taxable profits are expected to be available against which the deductible temporary differences and the carry forward of unused tax losses and unused tax credits can be utilized/set-off.

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised based on the tax rates and tax laws that have been enacted or substantially enacted by the end of the reporting period.

A deferred tax asset is not recognised for the carry forward of unused tax losses to the extent that it is not probable that future taxable profit will be available against which the unused tax losses will be utilised. The Company has closed its manufacturing operations and sold/disposed off land, plant & machinery and other fixed assets in earlier years as well as in current year and since then not resumed the manufacturing activities and there is no sound business plan made by the management to revive its business operations. Hence, in view of the management

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

of the company there is no convincing other evidence that sufficient taxable profit will be available against which the unused tax losses or unused tax credits can be utilised by the entity.

j) Impairment of Non-Financial Assets:

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Impairment loss is recognized when the carrying amount of an asset exceeds recoverable amount.

k) Provisions, Contingent Liabilities and Contingent Assets

The Company recognises a provision when it has a present obligation as a result of a past event that probably requires an outflow of the Company's resources embodying economic benefits at the time of settlement and a reliable estimate can be made of the amount of the obligation. The provisions are measured at the best estimate of the amounts required to settle the present obligation as at the balance sheet date and are not discounted to their present values.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more future uncertain events which are not wholly or substantially within the control of the Company or a present obligation that arises from the past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

When demand notices are issued by the Government Authorities and demand is disputed by the company and it is probable that the company will not be required to settle/pay such demands then these are classified as disputed obligations.

Contingent Assets, if any, are not recognised in the financial statements. If it becomes certain that inflow of economic benefit will arise then such asset and the relative income are recognised in financial statements.

l) Current/Non-Current Classifications:

The Company presents assets and liabilities in the balance sheet on the basis of their classifications into current and non-current.

Assets:

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading

- Expected to be realised within twelve months after the reporting period
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Liabilities:

A liability is treated as current when it is:

- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- Due to be settled within twelve months after the reporting period
- No unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

m) Financial Instruments, Financial Assets, Financial Liabilities, Investments and Equity Instruments

The financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the relevant instrument and are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities measured at fair value through profit or loss) are added to or deducted from the fair value on initial recognition of financial assets or financial liabilities.

A. Financial Assets:
Initial Recognition:

Financial Assets include Investments, Security Deposits, Cash and Cash Equivalents and eligible current and non-current assets. The financial assets are initially recognized at the transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being valued at fair value through the Statement Of Profit and Loss.

Subsequent Measurement:

The subsequent measurement of financial assets depends upon the initial classification of financial assets. For the purpose of subsequent measurement, financial assets are classified as under:

- i. Financial Assets at Amortized Cost where the financial assets are held solely for collection of cash flows and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on principal amount outstanding.
- ii. Fair value through profit or loss (FVTPL), where the assets are managed in accordance with an approved

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021

investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Security Deposits, Loans and Advances, Cash and Cash Equivalents where reliable data for fair value is not available then such eligible current and non-current assets are classified for measurement at amortized cost.

Impairment:

If the recoverable amount of an asset (or cash-generating unit/Fixed Assets) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in profit or loss, unless the relevant asset is carried at a re-valued amount if any, in which case the impairment loss is treated as a revaluation decrease.

Financial assets, other than those at Fair Value through Profit and Loss (FVTPL), are assessed for indicators of impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

B. Financial Liabilities:

Financial liabilities include short-term loans and borrowings, trade payables, eligible current liabilities. The borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry of the terms.

n) Fair Value Measurement:

The Company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability

- The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

o) Cash and Cash Equivalents-For the Purpose of Cash Flow Statements:

Cash and cash equivalent in the balance sheet comprise cash at banks and in hand and short-term deposits, which are subject to an insignificant risk of changes in value.

p) Operating Cycle:

Based on the activities of the company and normal time between incurring of liabilities and their settlement in cash or cash equivalents and acquisition/right to assets and their realization in cash or cash equivalents, the company has considered its operating cycle as 12 months for the purpose of classification of its liabilities and assets as current and non-current.

c) Financial Instruments and Related Disclosures:
Financial Risk Management:

The company activities are exposed various financial risks: credit risk, liquidity risk and other price risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

I. Credit Risk:
Loans & Advances:

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss to the Company. The maximum exposure to the credit risk as at the reporting date is primarily from inter corporate deposits. Inter corporate deposits are unsecured and are subject to counterparty default regarding repayment of deposits. Financial assets are written off when there are no reasonable expectations of recovery. The Company categorizes a loan or receivable for write off when a debtor fails to make contractual payments greater than one year past due. Where loans or receivables have been written off, the Company continues engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in profit or loss.

Other Financial Assets:

Credit risk relating to cash and cash equivalents and interest accrued on bank deposits, is considered negligible since the counterparties are banks which are majorly owned by Government of India and are have oversight of Reserve Bank of India. The Company considers the credit quality of term deposits with banks to be good and the company reviews these banking relationships on an ongoing basis.

The Company considers all other financial assets as at the balance sheet dates to be of good credit quality.

II. Liquidity Risk:

The company's principal sources of liquidity are from, Cash and Cash Equivalents. The Short term liquidity requirements consist mainly of Expense Payables, Employee Dues, Servicing of Interest on Short Term Borrowings and other payments arising during the normal course of business.

III. Other Price Risk

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. Other price risk arises from financial assets such as investments in equity instruments. The Company is mainly exposed to the price risk due to its investments in equity instruments recognised at FVTPL. As at 31st March, 2021, the carrying value of such equity instruments amounts to ₹1,100. The Details of such investments in equity instruments are given in Note 3. The price risk arises due to uncertainties about the future market values of these investments.

The Company is mainly exposed to change in market rates of its investments in equity instruments recognised at FVTPL.

**NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2021**
